

NOVEMBER

Hey November, Let's start this party with a busy month ahead. Our morning class is about names, numbers, and the alphabet song! We started busting out the real scissors.

HOW COOL IS THAT!

Puzzles are no sweat for us if we keep practicing.

We're pros learning through play.

We are all diving into some serious skills.

PATIENCE, KINDNESS, AND FOLLOWING DIRECTIONS

The afternoon class is all about letters, sounds, and writing.

Some are putting words together and doing serious math.

Practicing at home is fun! Your letters, Numbers, Colors, and

Shapes are all on your child's folder. Have fun and play.

NEW MONTHLY READING SHEETS

We are so happy to see them come in. The coloring helps your child. If you need books hit me up. I am putting together some books to check out. If you have books to donate that would be awesome.

TOM TURKEY WILL BE STRUTTING IN SOON

*Your child will get a feather to decorate. Let those creative
juices flow.*

*Finally, a huge shout-out to Fundraising
Superheroes! You Rock*

Thank You, Ms. Heather, for organizing the fundraiser.

A BIG THANK YOU FOR YOUR PAYMENTS

YOU'RE THE REAL MVPs

*THIS MONTH WE'RE ALL ABOUT BEING THANKFUL FOR
OUR FAMILIES, FRIENDS, AND EVERYTHING IN BETWEEN.*

I'M GRATEFUL TO ALL OF YOU!

HAVE A WONDERFUL AND FUN MONTH

Ms. Angie
