

**\*\*JANUARY 2025\*\***

**\*\*DIRECTOR'S NEWS\*\***

Welcome back to the second semester! I hope you all enjoyed your break. As we gear up for an exciting new term, I want to remind you that all teacher evaluations and scholarship forms are due on January 9th.

We've witnessed incredible success from parents who have eliminated artificial dyes from their children's diets, leading to noticeable improvements in behavior and focus. Let's consider adopting this positive change in our classroom. Please choose fresh fruits, vegetables, or foods with minimal artificial dyes when bringing snacks. I've compiled a list of excellent alternatives easily found at local stores, including Aldi.

Bringing 11 snacks will allow each child to enjoy one. Fostering a sense of sharing. Your child will take home any extra.

Don't forget to join us on January 14th at 5:30 p.m. for our board meeting! This is a fantastic opportunity for all parents

to voice their ideas and contribute to our community. We are actively looking for enthusiastic new board members who want to make a difference in our school.

**\*\*STAR STUDENTS: \*\***

**\*\*JANUARY 6TH – 9TH: \*\*** Clint, Declan

**\*\*JANUARY 13TH – 16TH: \*\*** Wynston

**\*\*JANUARY 20TH – 23RD: \*\*** Riley

**\*\*JANUARY 27TH – 30TH: \*\*** Abel

**\*\*THEMES: \*\***

Winter, Arctic Animals, Dinosaurs, Birds

We are excited about our upcoming visit to Morningside Living, though we're still finalizing the date.

Let's work together to make this month outstanding and inspiring!

Angie Griffith, Director
